'If you think you can, you can'

Inclusion - What is it?

Inclusion means striving to ensure everyone in our immediate community feel included, valued and involved. Where individual needs are supported and differences are celebrated so that everyone concerned can reach their full potential and flourish.

At Nursery!

- **Everyone is welcome and respected for their individuality**
- **Our difference are rich resources and strengthen our environment**
- **Parents are experts on their children we value them as educators.**

- A child's background is unique information helps us build positive relationships together.
- We will inform parents of strategies and systems in place to support individual children.
- We will help the children to learn skills and attitudes they need to be part of the world around them.
- We will ensure that the setting reflects the culture of the community in a positive way.
- We will celebrate and reflect on each child's learning journey

Inclusion - What does this mean for parents?

Being involved parents will give you greater understanding of what is being achieved at nursery and how this can be re-enforced at home. Simply by being involved helps children to understand their efforts are valued and worthwhile and deserve to be celebrated

- We value our diversity
- We respect our individuality
- We embrace all cultures
- We learn from each other
- We all have unique qualities

Our Promise

St.Thomas Nursery will provide a stimulating environment for every child. We will develop each child's individual interests through building positive relationships with parents and by nurturing the children's individuality. This will be achieved by effectively planning and developing activities with respect to their cultural background and ability enabling children to find their way in their new surroundings as they grow and flourish.

“we want to grow to be inclusive and be inclusive to grow”

If you would like a paper copy, please see a member of staff in Nursery and they will be able to provide this. We are also able to provide copies with larger text if required.

Every Child Matters

5 Outcomes for children

Be Healthy
